EEG INSTRUCTIONS

You have been scheduled for an EEG in our office, this is considered an outpatient diagnostic test and not an office visit. Your benefits and co-payments may be different for diagnostic testing. It is your responsibility as the insured to find out about your diagnostic benefits. If you have questions about coding please contact our billing department at 407-657-7900 extension 6.

Should you need to cancel or reschedule this procedure, you will be subject to a \$100.00 charge if you do not do so more than 3 business days prior to your EEG.

Appointment _____

DO NOT have any caffeine 24 hours prior to your EEG.

DO NOT wear make up.

Have clean dry hair with no sprays or gels. If you have a toupee, hair extensions or weaves please inform us at the time you are scheduling your appointment.

If your EEG was ordered with sleep deprivation please either go to bed a few hours later than normal or awaken a few hours earlier than normal. This will help you sleep during the EEG.
